

**PREPAY & SAVE!!!**

Paradise Pool is proud to offer our valued customers the opportunity to enjoy their own backyard 'Paradise' for less!

## **PREPAY & SAVE**

Prepay and save was first offered in 2012 and yielded very successful results. Many customers were able to take advantage of prepaying for their pool opening which saved them money! Prepay for your pool opening with Paradise Pool & Spa by May 10, 2014 and you are guaranteed last year's prices. Remember, you do not need to open your pool by May 10th to enjoy these savings.

## **NEW SAVINGS EXPANDED**

This year, we have bundled your most needed pool chemicals to save you money and we will deliver them right to your backyard. While we are there dropping off your chemicals, we will collect a water sample from your pool and test it in our own water lab to ensure that your water chemistry is the safest for you and your family!

## **RENOVATIONS**

Is your pool looking tired? Let Paradise Pool & Spa restore your pool into your own backyard 'Paradise!' New pool tile, coping, brick, plaster, hydrazzo or exposed pebble will beautify and enhance your investment as well as create an attractive personal getaway for your family and friends. Remember, *if your pool isn't becoming to you, you should be coming to us!*
